

Our agency, the New York State Institute on Disability, Inc. (NYSID) is funded by OPWDD to conduct free in-home psychosocial and psychological evaluations in the boroughs of Brooklyn, Queens, the Bronx and Staten Island for individuals who do not have medicaid and who are trying to obtain eligibility for OPWDD-funded services. We would even be willing to do the evaluations on school premises, if that is what would be convenient for the parents.

I would appreciate it very much if you would contact me so that we can discuss this further. Any assistance with this matter would be appreciated.

Sincerely,

Juliet Hawkins, MA, LMHC
